

Kristi's Kidtastic Camp!

Dear Parents,

We are excited to announce an all new Summer Camp program at Kristi's Tumbling and Trampoline.

As part of our everyday camp program, your child will have planned arts and crafts, a cooking club, video games, board games, open gym time and lots of other activities to choose from.

We will also provide guided reading time and journaling activities to help stimulate your child's brain and get a leg up on all the summer reading requirements.

We are happy to be able to offer you these popular programs in our facility, where you are already a member and know the trust-worthy staff.

We hope you are as excited as we are to enter into this summer with a revitalized Kidtastic Camp Program for your child. Please let us know how we can better meet your needs or if you would like to invite a friend or neighbor to join your child and receive a referral discount on YOUR tuition!
